B.) Download direkt vom Gerät:

The screenshot shows the Janitza UMG96RM-E web interface. At the top, there is a dark header with the Janitza logo and the product name 'UMG96RM-E'. To the right of the header is a language selector set to 'Deutsch'. Below the header is a navigation bar with icons for Home, Messwerte, Apps, Information, and Hilfe. The main content area is titled 'Downloads' and is divided into two sections: 'English' and 'Deutsch'. In the 'English' section, there are three links: 'Operating Manuals', 'Catalogues / Leaflets', and 'UMG96RM-E Modbus-address'. The 'UMG96RM-E Modbus-address' link is highlighted with a red rectangular box. Below the English section, there is a note: '*An internet connection is required for displaying these documents.' The 'Deutsch' section follows, with three links: 'Betriebsanleitungen', 'Kataloge / Leaflets', and 'UMG96RM-E Modbus-Adressenliste'. Below the German section, there is another note: '*Zur Ansicht dieser Dokumente wird eine Internetverbindung benötigt.'
